Notes

1. Stagesize at least 8x4m. Riser for Drums and Bass at least 3x2x0.4m must be provided by venue

2. Stage must be level and absolutely rain-proof.

3. All Mics, Stands, cables and inEar System provided by band.

4. We need a professional PA-system and stage lighting incl. operators according to venue size and audience.

5. Access all areas approx. four hrs before showtime for band-setup. Soundcheck duration approx. one hour.
Setup of PA and lights has to be finished before soundcheck.

6. We would like to hang a backdrop banner.
Size approx. 4x1m.

7. For technical questions please contact Werner Freiwald
